

McMinnville Transportation Bond Ford Street Sidewalk Improvements Project

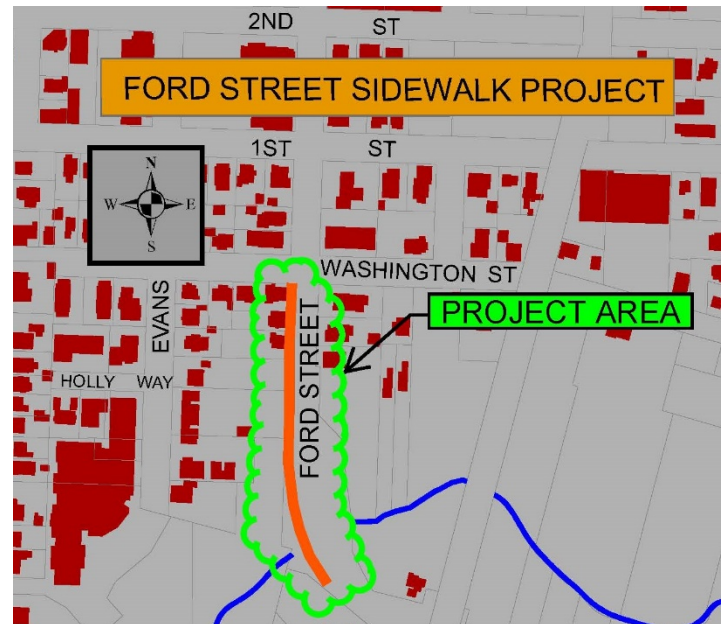

**CONSTRUCTION
COMING SOON !**

THANK YOU VOTERS!

Background

The \$24-million transportation improvement bond measure passed by the voter's in late 2014 included funding to add sidewalks and pedestrian safety improvements in various areas throughout the City. The intent of this project is to add sidewalk to the west side of Ford Street, from Washington St. to Cozine Creek, filling in a critical gap in the pedestrian access route on South Ford Street. This pedestrian safety improvement project also includes; road widening, paving, installation of curb & gutter, storm sewer, retaining walls, and guard rails.

The work will start in July with completion in late September.

What to Expect

- Ford Street will be closed to through traffic periodically from 7am-6pm Monday through Friday to accommodate construction and for the safety of pedestrians, motorists, and the construction workers.
- Local access for emergency vehicles and residents within the project limits will be maintained at all times.
- Detour Routes will be in place using South Davis Street as the alternative route. Please obey flaggers, construction signage, and detour routes when in place.
